Lovely sea views over Mousehole village and beyond from this well presented three bedroom character property, which the present vendors have maintained to a high standard, within a short walk of most amenities and the harbour front, along with approximately 80ft long south facing rear garden. The property has much charm and character throughout and offers spacious accommodation over four floors, which really needs to be viewed internally to appreciate to the full. The sea views from bedroom three on the top floor, taking in the sweep of Mount's Bay. A particularly attractive feature and rare for the village, is the garden laid to lawn to the rear with mature trees and shrubs, which creates a good degree of privacy, being in of a southerly direction, so a real sun trap. Star Gazey has been a successful holiday let over recent years and the majority of fixtures and fittings can be made available by separate negotiation. Due to the position and demand for properties such as this, we would recommend an early appointment.
