A chance to acquire an extremely well presented five bedroom, detached, modern style family home. Set in approximately half acre and located in a small select hamlet above a local vineyard on the outskirts of Penzance. The Wrens is an attractive house set in a tranquil location with far reaching views towards Newlyn and across the surrounding countryside to the village of Madron.

The house itself has been stylishly updated, modernised and feels spacious and light over the two floors and with potential to create a self contained two bedroom annexe (subject to any necessary planning permissions).

An especially attractive feature are the gardens which are landscaped with sub-tropical plants within the former quarry garden, and formal lawned gardens to the side.

To the side of the property is a large timber workshop/store along with access to an integral garage.

To the front of the property is a large gated gravelled driveway and parking area. This exclusive select hamlet, formerly the grounds of Rosehill Manor, offers a very peaceful setting with a rural background and is approximately 10 minute walk to National Trust property "Trengwainton".

The seaside promenade and main town of Penzance , are approximately 20-25 minutes walk away. Penzance has a good array of shops along with the art deco Jubilee Pool, Ferries and Helicopter services to the Isle of Scilly, plus the mainline railway station to Paddington.

Due to the popularity of properties such as this, we recommend an internal inspection to appreciate it to the full.
