UNNIK, WEST END, MARAZION, CORNWALL, TR17 0EL

GUIDE PRICE £395,000 FREEHOLD

All serious offers considered.

The property enjoys an excellent trading location in the centre of the historic harbour side town of Marazion which has about 500,000 visitors a year to St Michael's Mount. Just a few yards from the slipway and miles of sandy beaches, the premises on offer was an award-winning restaurant with a first floor former two bedroom flat. The property lends itself to either a simple reconversion of the first floor to provide living accommodation or similarly could continue as a two-storey commercial premises.

The property was originally The Clipper Café and at present is a commercial shop but would be suitable for a number of uses subject to any necessary planning permissions. Marazion is one of the most visited places in Cornwall with the attraction of St Michaels Mount being a National Trust treasure and the potential to provide a lucrative second income with the flat and/or a second business outlet above is enormous. Completely renovated ten years ago; solid oak floors, natural stone walls and space for about 45 covers if turned back into a restaurant or cafe. The first floor could easily revert back to a self-contained apartment (subject to any necessary permissions) offering great scope and having sea views to St Michael's Mount.

Properties in this location very rarely become available and this one in particular represents an excellent opportunity.
