Offered for sale with No Onward Chain is this charming three bedroom terrace cottage located in the centre of this popular and sought after village. The property has been maintained and modernised to a high standard with private, enclosed rear gardens, offering a high degree of privacy, with studio and workshop.

The property has deceptively spacious accommodation which the present vendors have maintained to a high standard and really needs to be viewed internally to appreciate to the full. A particularly attractive feature is the enclosed rear gardens, which offer a high degree of privacy with well stocked flower borders and two patio areas. There is access to a studio and workshop, which both have power and light.

Penzance Road is situated in the centre of St Buryan, therefore close to most amenities and only a short drive from the main town of Penzance. The village is surrounded by open countryside with access to many footpaths and only a short drive to the coast. Due to the popularity of properties such as this we recommend an early appointment.
