Tenure: **Freehold**

Council Tax Band: **C**

Energy Efficiency Band: **C**

Local & Planning Authority:
North Yorkshire Council

Guide Price: £700,000 - £750,000

The Garth is a superb, detached property on the edge of this sought after dales village.

West Burton is a very desirable village within the Yorkshire Dales National Park due to its stunning surroundings of rolling hills, fields and its waterfall. While only being 9 miles from the nearest towns of Hawes and Leyburn, there is a large village green and has a lovely sense of community with a range of different clubs, the village also has a pub, shop, butchers, and a tearoom.

The property is currently running with two very successful holiday apartments and offers a flexible layout which could easily suit varied uses.

The current owners have been running the business successfully since 2014 and are now planning to retire. The apartments are let well through 'Country Hideaways' and the owners own website www.garthwestburton.co.uk. The apartments are awarded 4* gold.

The main house has a beautiful entrance hall with good work from home space and cloakroom. There is an open plan dining lounge with wood burning stove and a conservatory added to the rear. The kitchen has been well fitted with integrated appliances and access to the utility room and boot/drying room. Upstairs, in the main house, are two good, double bedrooms, both with en-suites and lovely views. The second bedroom can be blocked off allowing overflow for Bridge View Cottage or accommodation to the main house.

Beckside Cottage is a ground floor apartment independent to the main house. The living accommodation is modern and well thought-out. The sitting room is open plan to the well-equipped dining kitchen, there is a large en-suite bedroom with access to a private patio space. This apartment can access the utility and boot/drying room.

Bridge View is a first-floor apartment and is bright and spacious. There is a lovely East facing sitting room with wood burning stove, which is open to the kitchen and a spacious, en-suite double bedroom to the rear. This apartment can be let with either one or two double bedrooms, having the option of accessing the second bedroom in the main house.

Outside, the property sits in a generous plot. To the front is mainly gravel parking and turning space for several vehicles, screened by a dry-stone wall and hedging. To the side and rear the gardens have been designed to be low maintenance with a good lawn with flower beds and mature trees. There is stone built garden shed, summer house and green house and storage for the wood pellets and biomass boiler.

The Garth is a superb opportunity to have a lifestyle business in an idyllic location within the Yorkshire Dales National Park. This property would also lend itself to being a large family home and great for multi-generational living.
