Guide Price: £700,000 - £750,000

Winton House and Dairy Cottage are two attractive, properties located in the charming and peaceful village of Winton, just 1.5 miles from the historic market town of Kirkby Stephen. These properties offer a unique opportunity to acquire a versatile home with potential for multi-generational living, guest accommodation, or continued holiday letting.

Winton is a quiet village with a strong sense of community. It features a popular pub, The Bay Horse, a village hall, a green, and a chapel. The village is just a short and pleasant walk or a brief drive from Kirkby Stephen, a vibrant market town set in the beautiful Eden Valley and located at the midpoint of the Coast-to-Coast long-distance footpath. Kirkby Stephen offers a wide range of amenities, including highly regarded primary and secondary schools, independent shops, cafés, pubs, a post office, and banking services. Transport connections are excellent, with the M6 approximately 12 miles to the west and the A66 just 3 miles away, providing quick access to the A1. Kirkby Stephen's railway station, located on the scenic Settle–Carlisle line, offers direct services to both Leeds and Carlisle.

Winton House is a substantial and characterful residence that blends period charm with modern functionality. The ground floor features a beautifully appointed farmhouse kitchen complete with a built-in pantry. There is also a formal dining room, two spacious and welcoming reception rooms, and a cosy snug—ideal for relaxation. In addition, the ground floor includes a utility room and a convenient W/C.

On the lower ground floor, the property benefits from a traditional cellar space fitted with original stone shelving, providing excellent storage options.

Upstairs, the first floor offers four generously proportioned double bedrooms (could be five bedrooms), a family bathroom, and a separate shower room, providing flexible accommodation for family living.

Externally, Winton House is set behind a private walled and gated garden, which includes attractive seating areas, a timber summer house with decking, and access to the property's parking areas. There is ample off-road parking available for multiple vehicles.

Dairy Cottage, located adjacent to Winton House, has been successfully operated as a holiday let for the past five years. It offers independent and flexible accommodation with its own private entrance and outdoor space.

On the ground floor, the cottage includes a useful utility room and a well-equipped kitchen/dining area, which leads to a charming reading nook. There is a double bedroom with an en-suite bathroom, as well as a separate storage room offering additional practicality.

The first floor features a cosy living room with a gas stove, creating a warm and inviting atmosphere. There is also a second double bedroom, which benefits from its own en-suite shower room.

Externally, Dairy Cottage enjoys a low-maintenance patio garden with well-established flower beds, and it provides off-road parking for two vehicles.

Together, Winton House and Dairy Cottage offer an exceptional opportunity to acquire a beautiful and versatile home in an idyllic village setting. Whether you are looking for a spacious family residence with room for extended family and guests, or an income-generating property with established holiday let credentials, this combination delivers both charm and practicality in equal measure.
