Arnfield Drive, Hilton

Sam says:

"This is a beautiful home and is located on a lovely, well kept new estate near to a popular woodland walk. The current owners have presented it really well throughout and there is absolutely nothing not to like. The open plan kitchen, dining and snug space is just lovely. Its bright, spacious and there are french doors leading out to the perfectly maintained and landscaped garden. Not only that, there's a separate living room too, as well as a downstairs WC and a useful utility room. There are 3 great double bedrooms upstairs along with a good sized single room. The master has a brilliant walk in wardrobe (a real bonus!) and an en-suite. The bathroom is also a great space with not only a bath but a separate shower cubicle! There's a single garage with tandem parking too. This house is just stunning and in great condition. You could move straight in and not have to do a thing, a perfect purchase for a family in a really great area!"

A message from the seller:

"Welcome to our home in Arnfield Drive tucked away on the St Modwen Hilton Valley Estate. Our home is light and spacious, with a large kitchen diner family room which is perfect for families. There is only two of us living in the house so most of it has hardly been lived in. The quiet of this estate is absolutely fantastic! It is the perfect location for people with a young family because the school is just two minutes' walk away. We are also very close to all the local amenities, and there are some lovely walks nearby. Living here seems more like a community rather than a housing estate and that is down to the people we have met during the time we have lived here. We are sure you'll love our house as much as we do!"
