Mikaela says:

"This is a deceptively large bungalow in a lovely quiet part of the village. You get the best of both worlds with this location, you're in the countryside with lovely rural walks nearby but also close to amenities. There's an impressive living room/diner space where you'll find some beautiful skylights letting in lots of natural light, lots of space for furniture, a lovely brick fireplace and access out to a lovely low maintenance garden. The kitchen is where you access the property and has lots of cupboard space and integrated appliances such as a double oven, fridge freezer and dishwasher. There are 2 large double bedrooms and 1 good sized single room. The smaller rooms even have fitted cupboard and draw space! The main bathroom is just lovely, theres some fitted cupboard space around and above the sink and a welcoming corner bath with a shower over! Outside, as mentioned before there is a low maintenance, slabbed garden which has brick built raised beds where the plants add a lovely pop of colour! Out to the front, theres a driveway that has space for at least 2 vehicles and a useful single garage. My favourite thing about this home is the location. The street is so quiet and its only a short walk from anything you might need!"

A message from the seller:

"We spent many happy years in this home; the street is quiet and the village is a lovely place. There are amenities close by such as schools, shops, a post office, bakery etc. The garden is a great sun trap to enjoy a drink under a parasol! The house has been beautifully maintained and we hope the next owners find as much happiness here"
