Mikaela says:

"It's the location for me with this home. How exciting to be right on the tracks like this! Yet so close to the countryside and just a short drive away from local amenities. The property itself is great, there are two really good sized double bedrooms, one with a great feature fireplace and the other with some handy fitted cupboard space. You walk into the home via the kitchen where you're greeted with a spacious kitchen diner. There's a good sized cosy living room with a feature fireplace off to the side via a little hallway, where there's a useful storage cupboard too. To the other side of the home downstairs, there's a good sized family bathroom which has a WC, sink and a bath with shower over alongside a deceptively spacious utility room which is a real bonus as you don't often get a utility room in a 2 bedroom home. The courtyard and garden area is my favourite feature, it would be a lovely space to relax on some garden furniture and watch the trains go by!"
