## Sam says:

*"I love this home, it is perfect for family life. The large kitchen, dining, living space really is the heart of the home with social space for the family and entertaining friends. There is a lovely lounge to relax in with a bay window letting in lots of natural light. The whole house is modern and presented to a high standard. There is an office downstairs however the current owners have had the garage converted for business purposes which would make a great work from home space or a multitude of other uses. Upstairs all the bedrooms are doubles which is practical for family living and bedroom one benefits from an en-suite shower room. It is situated in a quiet location of Mickleover with driveway parking. The house just flows perfectly for busy family life."*

## A message from the seller:

*"We have lived here for four years since it was built and we have loved our time here. The location is great, being only a short walk to the village of Mickleover, there's a local park for the children and nice walks for dog owners. We are situated in a quiet cul-de-sac with friendly neighbours. The house itself has been perfect for our family and it really helps being able to work from home in the converted garage. It is now time for us to move on with our relocation and we hope whoever buys our home, are as happy as we have been here!"*
