New Road, Hilton

Sam says:

"This is a lovely home in a great location, just a short walk to all the local amenities Hilton has to offer. You can tell this home has been loved and cared for over the years. The living room is a bright, welcoming and comfortable space, with a feature fireplace and sliding doors into the conservatory which is a lovely addition, looking out onto the beautiful garden. I think the kitchen in this house is a great space, it has plenty of worktops, a double oven and under counter appliances, the kitchen units are in great condition and could be easily modernised by painting them. There is also a back door providing direct access into the garden as well as the parking space at the back.

The main bedroom is a great size double, with plenty of built in storage, looking out to the beautiful garden, making this room a lovely quiet space. The second bedroom is also a really good size double with large fitted wardrobes in there too. The toilet and shower room are separate which I think is great, however if this isn't to your preference, this could be made into one larger shower room.

The garden really is a lovely, peaceful space, full of gorgeous mature shrubs, bushes and trees. There is a pathway leading through the garden which takes you to the parking at the end. This is a lovely home in a fantastic area not to be missed!"

A message from the seller:

"Welcome to our house! Selling this house is very bittersweet, it was a beloved family home for 45 years, countless happy memories where generations gathered, laughter from every room, enjoying the beautiful garden and summer days on the "sun trap" patio. Its location remains a key part of its charm, offering the best of both worlds. We always love the quiet and private location with the benefits and convenience of being just a stone's throw from local shops and welcoming pubs, making errands easy and social outings a short stroll away. A sad day to have to sell but this was a very happy home and we are sure it will provide equally happy memories in it's next chapter".
