## Jodie says:

"What first struck me about this house is the kerb appeal, the front panelling gives it such a stylish look, and it really sets the tone before you even step inside.

As you head inside, you're welcomed by a generous hallway leading to a spacious living room. A large front window floods the space with natural light, creating a bright and inviting space. The current owners have cleverly used the alcove as a work-from-home area, while the room itself easily accommodates large sofas, making it perfect for relaxing with family or entertaining friends.

The kitchen-diner continues the theme of space and flow. With its open-plan entrance, the rooms connect seamlessly. Placing your dining table by the patio doors, means you can enjoy garden views with your meals. What's great about the sleek white gloss kitchen units is they give a modern feel, ready for you to add your own personal style. A great addition is the utility room, with direct garden access as well as a convenient downstairs WC.

Upstairs has three well-proportioned bedrooms, each designed with comfort and practicality in mind. The main bedroom has plenty of storage, fitted with a built-in wardrobe and a clever cupboard over the stairs for extra storage too. The modern and stylish en-suite is a great addition to this room. The remaining bedrooms are versatile, perfect for children, guests, or even a dedicated home office. Serving them all is the family bathroom, fitted with a modern three piece suite and overhead shower, ensuring convenience for busy mornings and relaxed evenings!

Outside, the garden is a great extension of the home with a decked area leading straight out of the kitchen-diner and plenty of lawned space too. From here you also have side access onto the tandem driveway and into single garage. For me, the location adds even more appeal, Hilton Valley lies at the edge of Hilton Village, giving you woodland walks, a small park, and The Mease Primary School right on your doorstep, a perfect blend of lifestyle and convenience making this a great home for so many reasons! What's more is you can purchase this beautiful home with no onward chain."
