Normandy Road, Hilton

Jodie says:

"This is one of my favourite parts of the village, it feels private yet so convenient to everything Hilton has to offer. For me, plenty of parking is key for a four bedroom home, so it's great to have the large driveway to the front as well as access into the integral garage. As you step inside, you're welcomed by a bright entrance hall, with plenty of space to store your shoes and coats. From here you can access the handy downstairs WC, perfect when you have people over. The generous living room has plenty of room for a 3 piece suite, making this the perfect spot to unwind at the end of the day or socialise with friends.

For me, the heart of the home is the open-plan kitchen and dining area. I love the contemporary units, with the on trend choice of tiles to complete the look. They have also included a breakfast bar, making great use of the space and creating the perfect spot for your morning coffee or a great place to entertain. At the end of the kitchen, there's plenty of room for a large dining table, positioned next to the French doors that lead you straight into the bright and spacious conservatory. This extension of the home creates a wonderful indoor-outdoor flow, opening directly onto the garden. Another great feature in the downstairs space is the integral garage with power and lighting, is a practical space with the potential to make this an extension of your living space if needed.

Upstairs, the main bedroom feels bright and open, with fully fitted mirrored wardrobes that not only offer excellent storage but also enhance the sense of space. The en-suite completes the room, adding a touch of comfort and convenience. The three additional bedrooms are all well-proportioned, offering flexibility for family living, guest rooms, or a home office. The family bathroom has a 3 piece suite and a shower over the bath, making this a great practical space for the family.

Outside, the rear garden is a real highlight, with a paved patio for summer dining and a neatly kept lawn that's perfect for children to play or for simply enjoying the sunshine. The garden is fully enclosed and the mature borders give you a real sense of privacy. A great addition is the external shed, providing valuable extra storage or the perfect space for hobbies".
