Welland Road, Hilton

Mikaela says:

"This home has so many great selling points! It has been extensively extended to become a 5 bedroom home. The extension has created an entirely new, large kitchen and separate utility space, as well as a beautiful big living room which leads into a dining area with a gorgeous lantern skylight and bifold doors out to the garden allowing lots of natural light to flow. Another great bonus downstairs is the boot room which used to be the old kitchen - a versatile space which could have multiple uses! The bedrooms being over two floors really helps create lovely large bedroom spaces! The two double bedrooms that are on the middle floor both have fitted wardrobes, with the master having an en-suite too! The 4 piece family bathroom is also on this floor. There are 3 further double bedrooms on the top floor, as well as a shower room! The work has been carried out to a high standard and its very much a turnkey home, ideal for the family, plenty of storage and ready to move into! The garden is beautiful too, you can really envision entertaining on the lovely decking area. The garden is also useful in a sense that you can access the front of the house, the utility room and there's side access into the garage too!"

A message from the seller:

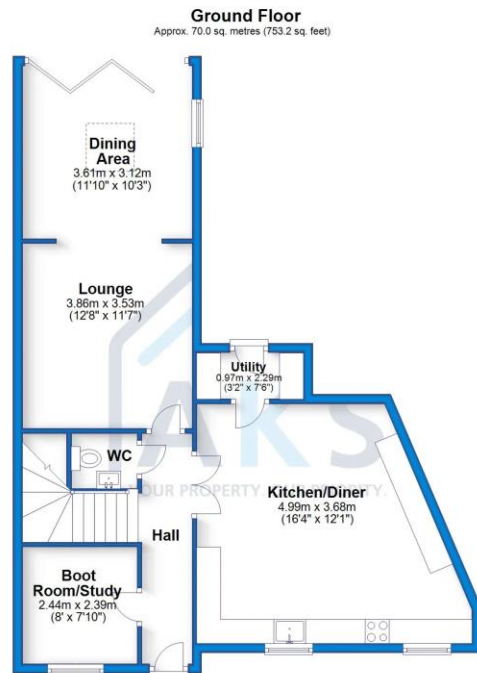

"We have lived here since 2006 and have extensively changed the property over that time and it has been a fantastic family home. The things we love about our home are the fact that everyone in our family has a lovely large bedroom and we adore the large kitchen diner! the utility room is really useful for our appliances keeping them out of the kitchen. The home has so much storage space making it really practical for family life and with all the work done to the property, it is now really low maintenance. It is now time for us to move on and let another family enjoy it as much as we have"
