No 5 Bartlett Square is a contemporary home, newly built in 2019 by Backhouse, the design-led housebuilder focused on creating and delivering aspirational and desirable homes. The property is exceptionally light and spacious and has been beautifully designed with a stylish interior. The house is immaculately presented and has been well looked after by the current owners.

The front door opens to an entrance hall leading you through to a large, sunny open plan living space incorporating sitting room, kitchen and dining area with bi-fold doors opening to the garden. The contemporary-style kitchen features soft close doors and a range of integrated Bosch appliances including fridge freezer and dishwasher. A spacious island has an inset induction hob and a breakfast bar. A door from the kitchen area gives access to a useful utility room with fitted units and space for laundry appliances.

Bi-fold doors open out to a beautifully designed and delightfully low-maintenance garden flowing seamlessly from the kitchen, with plenty of space for outside seating and entertaining making this a great extension to the house. The garden is bordered by raised flower beds adding interest and colour to the space. There is a garden gate providing rear access.

Also located on the ground floor is a downstairs w.c.

To the first floor there are three well-proportioned bedrooms. The master bedroom has built in wardrobes and an ensuite shower with rainfall shower head, heated towel rail and illuminated light. The main family bathroom is a white suite with bath and shower over.

Outside

To the front of the house is a driveway with parking for two cars. There is also a bin store and lockable bike shed providing useful storage. Situation Castle Cary is a bustling town with many attractive and historic buildings including its C19th Market house and the C18th Roundhouse. The main street offers an assortment of independent shops, cafes and restaurants, a delicatessen, a butcher, a wine shop and a contemporary art gallery. Market day falls on a Tuesday where fish, organic vegetables and homemade breads are sold on the cobbles in front of the Market House. The Newt in Somerset has recently opened nearby (<https://thenewtinsomerset.com/>). A recent article in the Telegraph quoted 'The Newt is one of the most exceptional country house hotels Britain has seen'. The gardens are open to the public and visitors are welcome to walk through amazing woodland gardens and to dine in the restaurants and cafes.

Large supermarkets are located in the towns of Wincanton and Shepton Mallet which are both a short drive away and the fashionable town of Bruton is also very close by. Castle Cary has a mainline train station which is just a short walk from Bartlett Square and offers a service to London Paddington in under two hours.
