EPC RATING

DESCRIPTION

Unit 5-9 School Road comprises of a terrace of three industrial units situated on a fully self-contained site, which can be split into three separate units or taken as the whole. The units will be refurbished prior to occupation.

The building is of steel portal frame construction with part profile metal cladding and part brick elevations, with office accommodation provided on both ground and first floor levels. Loading is by way of 3 surface level access loading doors which provide access to a self-contained yard of 29m depth. There are c. 5m eaves height throughout.

LOCATION

The units are located in Park Royal in Ealing, which is regarded as London's premier last mile logistics location. The Victoria Road gives direct access to the A40 Western Avenue 0.5 miles (0.8 km) to the south via the major Gypsy Corner junction. North Acton Underground station is within a 6-minute walk offering access to the Central Line. Acton Main Line and Old Oak Common are also in walking distance provide access to the Elizabeth Line.
