The Cottage

Midlem, TD7 4QD

Tucked to the edge of the charming village of Midlem just off the picturesque Green, this character cottage has been thoughtfully upgraded to host flexible and comfortable accommodation over two levels - with a beautiful landscaped private garden to the rear, the envy of any keen gardener.

THE COTTAGE

Surrounded by idyllic Border countryside this traditional stone-built property opens from a quiet, country lane within the village – offering an ideal family home with three double bedrooms, plenty of entertaining space and quaint retained period features.

With a chocolate box frontage, the front porch opens to the hallway, accessing the public rooms and utility room positioned on the ground floor. The lounge enjoys a glorious triple aspect, with the well-proportioned room allowing plenty of space for freestanding furnishings and benefitting a feature fireplace. The neighbouring boot room is a must-have for any country property, hosting a useful ground level facility and linking the original accommodation with the more recent rear extension, now home to the generous family dining kitchen and bedroom above. The kitchen makes the most of the garden aspect, opening directly onto the patio for outdoor dining, and is finished with a good selection of timber wall and base units and ample room for dining table and chairs. Two further public rooms open from the hall, currently utilised as a separate dining room and a study, with obvious potential as a fourth bedroom, playroom or snug.

Upstairs, a split stair extends to the principal bedroom with neighbouring family bathroom, with two further double bedroom across the hallway.

The enclosed garden to the rear is landscaped in sections ; marrying perfectly with the accommodation the garden is expertly cultivated to provide screening and colourful borders, with a choice of seating and al fresco areas, and still providing a buyer with scope to landscape further as required.
