Summary

Ashdown Park is an exciting and exclusive development ideally suited for individuals aged over 55 who are looking for a peaceful and relaxing lifestyle. The development is situated in the heart of the picturesque Vale of York, just a 10-minute walk from the historic town of Boroughbridge. The town is renowned for its rich history, with a range of fascinating landmarks such as the Roman Bridge and the Georgian architecture. Furthermore, Boroughbridge offers a range of excellent local amenities, including a supermarket, medical centre, and a range of restaurants.

The development provides ample parking for two vehicles, which is a real convenience for residents. The property also includes an extended shed, perfect for storing gardening equipment and tools. The well-proportioned gardens offer a peaceful and tranquil setting, ideal for relaxing and enjoying the beautiful scenery. The development features secure entry gates with CCTV surveillance in operation, which provides an added sense of security to residents. There is a main reception lodge, which is manned 24/7, ensuring that residents are well looked after at all times.

The development itself enjoys stunning views of the surrounding countryside, and residents can take advantage of the excellent walking trails and cycle routes available in the area. With its tranquil location, excellent amenities, and beautiful surroundings, Ashdown Park is the perfect place for individuals who want to enjoy a peaceful and relaxing retirement.

Location

The Park is ideally situated for easy access to the A1, with Leeds Bradford Airport only 35 minutes away and Teeside Airport only an hour away. The excellent transport links are within easy reach, which means that in no time at all you can be enjoying the rural countryside and beautiful scenery of the Vale of York and surrounding area
