OLD DOCKS HOUSE

THE HOME OF
PREMIUM OFFICE
SPACE

BY WRKSPACE.CO.UK

WELCOME TO THE **OLD DOCKS HOUSE**

The most prestigious offices in Preston are ready to launch.

Formerly, the main dock office for Preston, this art deco masterpiece has been lovingly restored and refurbished, and ready to take on board businesses that are really going places.

Luxury offices and breakout areas are now available for all company sizes, with a wide range of first class facilities available. From a stunning, art deco panelled boardroom with flat screen unit for presentations to beautifully restored porcelain bathrooms - every detail is covered to help your business run as smoothly as possible.

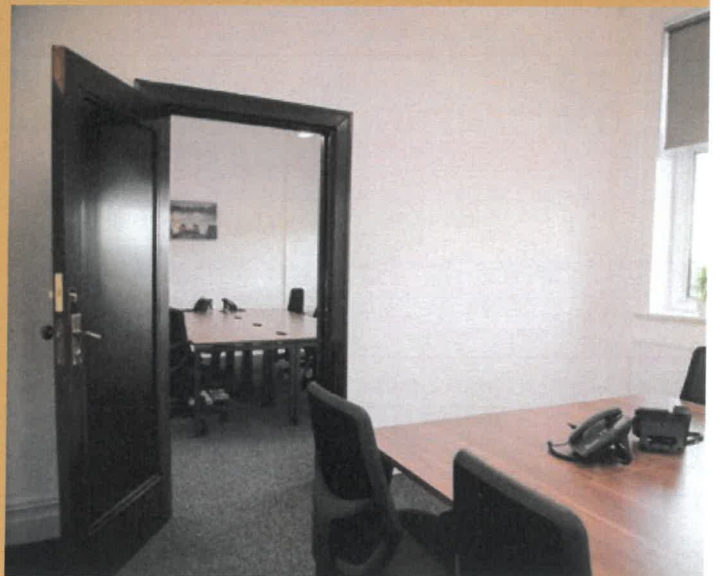

As part of the thriving W_RKSPACE community, you'll also have access to like minded businesses in other W_RKSPACE offices. Our dynamic, growing network is an ideal environment for every kind of business.

Take part in regular events that give you the opportunity to network and socialise, or hotdesk at one of our other offices in the area.

Your business success is in our best interest and we are constantly endeavouring to give you the perfect space to achieve your goals.
