Offers In The Region Of £539,000

This amazing family home is so impressive that you just have to take a few moments to watch our video tour and we're sure you'll be in love!

Having been recently constructed by Wain Homes, the current owner has left no stone unturned in their quest to make an already attractive property even better and the result is stunning! Tucked away in a leafy and quiet location, the kerb appeal is obvious from the moment you set eyes on the place, the black window frames and entrance door just ooze style. Inside the house you're welcomed into a pleasant entrance hall with access to a useful guest W.C and the breathtaking proportions continue from here; The bay fronted lounge is a tasteful and comfortable room enjoying great views to the front and access to the rear gardens whilst the gorgeous living/dining kitchen is the perfect area to entertain and cook up a storm! The kitchen units, work surfaces and appliance are all of great quality and exude clean, modern style. Moving on upstairs you find five very well proportioned bedrooms and three luxury bathrooms all accessed of a delightful galleried landing. Outside the home to the rear sits the aforementioned gardens whilst the front annoys a drive lading to a most useful double garage, a rarity in many homes today!

The location speaks for itself and is certainly peaceful and serene though also gives easy access to Congleton town centre and handy commuter links to both north and south...there's even a play area for families!

Don't just take our word for it, view our video, photos and floor plan...then call the experts here at Chris Hamriding Estate Agents to find out more and book yourself that all important viewing!
