A truly stunning detached residence tucked away in a quiet and leafy area with gorgeous views! Having been recently constructed by highly reputable builders 'Seddon Homes', this attractive model of property is known as 'The Ackworth', a flagship family home offering approx 2700 square feet of high specification living space that's been thoroughly enjoyed and vastly improved in recent years. There is little to no compromise with this home and from the moment you enter the breathtaking reception hall the accommodation flows effortlessly from room to room and lends itself to a wide variety of buyers needs. Having three separate reception rooms plus a luxuriously upgraded living/dining kitchen with utility room, it's just as family friendly downstairs as it is on the top floor where there are five spacious double bedrooms and three luxury bathrooms all accessed from the grand galleried landing, this truly is a home for that could serve you for decades to come. Outside the house is just as pleasing with particular interest to be paid to be the rear gardens...accessed via the bifolding doors, it's a space made for entertaining all year round and the investment from the current owners really adds significant value. Completing the whole package is a very useful double garage and a more than ample driveway to the front. The surroundings of the home are equally as special and no matter which way you look you can enjoy leafy, quiet views into the neighbouring countryside. A short stroll and you arrive into miles of rural walks just as easily as you arrive at great local amenities, pubs, cafes, Congleton train station, fantastic schools and efficient commuter links thus making this offering very comprehensive and hugely exciting in today's busy market!
