Summary

A simply stunning example of a traditional and imposing pre-war house which has been imaginatively remodelled and extended to offer outstanding contemporary accommodation. Elgin Road is renowned as one of the best locales in Talbot Woods, noted for its large dwellings set in spacious grounds.

The built form here, including the home office in the grounds, extends to nearly 4,450 square feet and the current home owners have spared no expense in creating what can only be described as a dream home. There is a hugely impressive open plan lifestyle room which opens directly onto the garden and it zones conveniently for kitchen, dining and living. The ceiling lanterns flood the area with light and there's no doubt it's the heart and hub of the home. The highly luxurious kitchen features a huge centre island and breakfast bar, Quooker tap, stone tops, a concealed workstation as well as a concealed bar in addition to a whole host of high end integrated appliances. The ground floor also features a formal lounge, a formal dining room and a fully equipped gymnasium.

On the upper floors there is a total of four bedrooms and three bathrooms and we would challenge you to find a more luxurious master suite with its huge en suite bathroom, walk in closet and dedicated sun balcony. The photographs paint a picture and the quality threshold is hugely impressive throughout, especially when combined with the wonderful interior finishes and beautiful lighting design. The garden is level and features a free standing home office, private sun terrace with hot tub and a manicured lawn all finished to a correspondingly high standard of design.
