Summary

This is one of two brand new homes by experts Coane Construction in one of the areas most prestigious roads. The traditional architecture is juxtaposed with contemporary interiors which are beautifully appointed.

Contemporary homes constructed over just two storeys are rare and especially so with level family-friendly gardens so these will have broad appeal. The built form of this house extends to nearly 2,000 square feet and it has been designed with an all-important open plan life style room which zones conveniently for kitchen, informal dining and relaxed living thanks to a small split level.

Upstairs there are four double bedrooms and three bathrooms and the principal bedroom also features a dressing area. The house comes with a 10 year structural warranty and the high end specification includes a luxury kitchen by Leicht complete with centre island and breakfast bar, Siemens appliances, combi microwave, Quooker hot tap, quartz worktops, zoned underfloor heating, 4KW solar system and LED lighting throughout. There's a generous driveway at the front and the rear garden boasts a level lawn as well as a private sun terrace.
