Summary

Wedgewood is a brand new and deceptively spacious luxury home in one of Lilliput's most desirable locations. Greenwood Avenue is a quiet cul-de-sac conveniently located for all of the areas amenities.

The house extends to just under 3,000 square feet and it comprises a total of five bedrooms and three bathrooms as well as a choice of living spaces. The flexible layout includes a 21' formal living room with a private sun balcony as well as a huge open plan lifestyle room featuring a beautiful fitted kitchen by Leicht complete with centre island and breakfast bar together with a large informal sitting area which connects to the garden via large format sliding patio doors. The overall look is sophisticated and the high end specification includes underfloor heating, an air source heat pump, lightwave smart lighting system, 4kw solar panels on the roof and aluminium windows. Outside, the paved driveway connects to an oversize garage. At the rear there is a large garden with a level lawn which also benefits from a sunny aspect. NB Our images have been digitally furnished to give context and to show how the interior might look.
