Summary

Pearce Avenue is one of the area's hidden gems, offering nearby access to the calm and sheltered waters of Poole Harbour, yet retaining a quiet street scene that isn't found in other parts of the area. This substantial nearly new home was constructed in 2022 by the current owners to an impeccable standard that seamlessly combines contemporary and traditional architectural styles.

The main house extends to 4,716 square feet, plus there is an additional garden studio in the grounds adding a further 303 square feet of flexible space. The luxuriously appointed accommodation includes six bedrooms, five bathrooms and a choice of stunning reception rooms including an open plan kitchen / family room, a living / dining room, a cinema room and a home office. The vaulted entrance hall makes quite an impression, a theme continued on the upper levels with an orangery roof lantern ensuring the whole house is bathed in natural light. The towering specification includes underfloor heating to the ground floor and all bathrooms, alarm system including CCTV, Sonos sound system, solar panels and remote controlled gates to name a few. It is laid out over three levels with harbour glimpses to the front elevation from the upper floors. It sits on a wonderful level plot of around 0.22 acres to include an enclosed driveway and a super rear garden with terracing and lawns. As a resident of the Elms Estate, the new owner would qualify for a social membership (subject to application) of the nearby Parkstone Yacht Club and other benefits include use of the Elms Estate Meadow, a secluded green space which is for the exclusive use of residents of Elms and Pearce Avenue. Slightly further afield, the golden beaches of Sandbanks and the Isle of Purbeck are within easy reach. This would make a superb main home, or even a luxurious seaside retreat.
