Summary

Holly Wood is a beautiful contemporary home extending to nearly 5000 square feet, tucked away in a quiet and tranquil position just off one of the area's most prestigious roads where properties have sold for over £5M. The location is convenient for Poole Harbour, reached via a footpath in nearby Alington Close from where the beach at Sandbanks is a short level walk of little more than half a mile.

The house itself comprises five bedrooms, each with en suite facilities and there is a choice of receptions including a stunning open plan kitchen family room, a galleried sitting room and an informal sitting area which could be suitable for a number of uses such as a snug or even a home office.

The layout includes a choice of private sun balconies although the one on the top floor dedicated to the primary bedroom offers the best harbour view and the passenger lift is another great feature boasting access to all floors. The flexible layout can also be configured to provide a potential guest of staff annexe with its own private entrance and dedicated kitchen. Other luxuries include gas fired under floor central heating and intelligent lighting and a high level of decorative finish.

Outside the grounds include a level lawn complete with pergola as well as an enclosed courtyard leading to the oversized integral garage. If you are looking for especially spacious accommodation combined with close proximity to the area's renowned leisure amenities then look no further.
