## Summary

Sunrise is one of three stunning contemporary homes tucked away in an exclusive gated development overlooking Whitecliff Park and Poole Harbour beyond.

The built form extends to just over 3,350 square feet meaning there is space in abundance and the well planned accommodation is laid out over three floors, all of which are accessed via a private lift. There is a huge open plan living area on the top floor benefiting from harbour views which is zoned for kitchen, informal dining and relaxed living, that connects to a private sun balcony.

There are four bedrooms in total, each with dedicated en suite facilities, the most impressive of which is the primary bedroom on the first floor complete with its own full width sun balcony. The interior is super contemporary with an exceptional standard of finish. There is lots of white wall space which would make for a perfect setting for stunning artwork as well as a wonderful backdrop for contemporary classic and high design furniture. The high end specification includes programmable lighting and under floor heating and with amenities including a boat club and a waterside brasserie nearby this is the quintessential lifestyle home.
