Summary

An amazing ground floor apartment in one of Sandbanks' premier blocks known simply as Mirage, which occupies a wonderful position directly by the waterfront.

The views from the principal rooms face the harbour yet step outside of the development and some of the area's finest beaches are literally a stones throw away. This was originally a show apartment when the development was new and it comes with two car parking spaces in the underground car park as well as a lockable store. The apartment itself is very spacious and it extends to 1,917 square feet comprising a spacious semi-open plan living space zoned for kitchen, living and dining as well as three double bedrooms each with dedicated en suite facilities. The private sun terrace is shared by the living area and as you might imagine the view is amazing. The stretch of water outside is especially popular with wind surfers and kite surfers so the vista is anything but static. The development was built to a high specification and features underfloor central heating, a high quality kitchen with a centre island and stone tops as well as an automatic passenger lift to all floors. This could be an amazing main or second home and it is offered chain free. We understand the block is pet friendly but potential purchasers are advised to make enquiries as to the availability of the necessary licence before making a decision to purchase.
