Summary

Granville Works is a beautifully designed apartment block recently constructed by a highly regarded local developer and built to an exceptional standard with distinct architectural features.

This new build development offers a selection of fourteen apartments and is a stones throw from the heart of Westbourne which has a large selection of boutique coffee shops and eateries and is very popular for shopping. Award winning Blue Flag beaches are less than a mile away, local and national transport links are also close by.

The development comprises thirteen one bedroom apartments and one two bedroom apartment. Apartments on the ground floor benefit from their own private outside areas with access onto the landscaped communal grounds.

The first floor apartments are split level with striking vaulted ceilings. All these new homes have bright and airy open plan living areas and modern fitted kitchens with integrated appliances as well as fully tiled bathrooms and state of the art air source hot water pumps utilising low-carbon renewable energy. Viewing is highly recommended as new build homes in this area are very rare.
