Summary

The Horseshoe is a small and exclusive enclave of Sandbanks, tucked away in a quiet cul-de-sac and the houses are amongst a select few which can claim to have private sand at the bottom of the garden adjoining the beach.

Although relatively compact the property has, in our opinion, one of the best positions in the road with a simply stunning view of Poole Harbour which lays claim to amazing sunsets and an unusually animated seascape thanks to the paddle boarders, wind surfers and boats of all shapes and sizes which frequent the harbour.

There's an extensive private sun terrace directly outside the house but at the bottom of the garden near the beach and waters edge there's a specially constructed contemporary pavilion complete with retractable roof and a bar. Imagine watching the world go by from here on a summers' evening!

The house itself extends to nearly 2,700 square feet with four bedrooms and three bathrooms. This is a great lock up and leave home by the water although due to the premium similar properties on Sandbanks now command it might be suitable for remodelling or enlarging subject to the necessary consents.
