Summary

Harbour Close is a highly unusual development of single storey terraced homes, each with its own private garden benefiting from some of the area's best harbour views.

All of this a little more than a stones through from the waterside and convenient for the famous Blue Flag beaches at Sandbanks. This makes Harbour Close a great alternative for anyone looking for a luxury apartment and they have quite a following.

Number 6 is an end terrace and as such it benefits from an especially large plot (the largest in the development) with the addition of a side garden and a raised deck area which could be suitable for a garden room. It is perfect for sun worshippers as the incredible view is complemented by a Southwesterly aspect.

Inside the accommodation includes two bedrooms and two bathrooms (one of which is en suite) and it extends to just over 730 square feet. The decor is in good order throughout having been modernised by the current owners and it is perfect for a fun seaside retreat. It comes with the addition of a lock up garage with solar powered door, as well as an additional parking space and no forward chain. The owners have also had plans drawn up to extend the property to three bedrooms, subject of course to the necessary consents.
