Summary

Oshun is the latest development by DG Developmnnents, renowned luxury home specialists. It sits within a highly exclusive gated development of just four properties which have changed hands for up to £6.7M.

It can be found at the end of a private road known simply as "The Drive" just off Brudenell Avenue, another highly sought after location in itself. The shores of Poole Harbour are nearby and a waterside stroll of approximately 0.75 miles leads to the beach at Sandbanks. Parkstone Golf Club shares a boundary with Oshun and the view of the fairway at the 11th hole forms the backdrop to the simply stunning architecture.

Unusually for a contemporary house in this area it has strong horizontal emphasis with accommodation arranged over just two floors. There is a feeling of space and tranquility throughout and the connection to the natural environment outside is exceptional. There are a total of four bedrooms and four bathrooms, one of which is on the ground floor. The primary bedroom benefits from a private terrace and a walk in closet. The downstairs open plan living space can only be described as exceptional with large format picture windows and sliding doors framing the woodland views like works of art.
