

# MOVE PLUS

**From the moment you step inside one of our homes, we're sure you'll want to get moving.**

With our MovePlus Assisted Purchase Scheme, we're here to help you sell your existing home while you reserve and prepare to move into one of ours. The reservation on your new home lasts for up to six weeks, leaving us to make all the arrangements and the best part is, we'll even pick up the estate agent's fees!

With the help of our MovePlus scheme, you will have full access to our dedicated team to help you through the process - making moving into your new home simple.

# Designed to get buyers moving with the minimum of fuss

MovePlus is here to make the process of selling your current home smooth and straight forward - allowing you to focus on the smaller details while moving into your new Peveril home.

Working with you, here's how we do it:†

You select your dream home at one of our beautiful developments and we will reserve it for up to six weeks

We arrange for two separate estate agents to value your current property

We agree on a selling price for your current home†

We instruct both estate agents to market your property - giving you twice the selling power!

Our dedicated team oversees the marketing and sale of your home using our many years of experience

Once a buyer for your current property is found, you can then formally reserve your new Peveril Home. On legal completion, we will even pay the estate agents' fees.
