New Business / Industrial Units

West Park 26, Wellington, Somerset, TA21 9AD

Key Facts

- Flexible accommodation with units from 1,000 sq ft to 2,000 sq ft
- Latest panel technology providing thermal-efficiency and fire safety
- Electrically operated roller shutter door (2.88 m x 5.20 m)
- Allocated parking bays and loading/unloading areas in front of each unit
- Electric vehicle charging points available on site

Location

West Park 26 comprises a mixed-use business park in excess of 40 acres, conveniently located just off J26 of the M5 Motorway via the A38. Already on the established business park are amenities such as Travelodge, The Skylark Pub, Shell Petrol Station, Costa and McDonald's drive-through restaurants.

Wellington, with a growing resident population of 12,000, is situated close to Junction 26 of the M5 motorway, whilst the county town of Taunton is 7 miles to the East. The town continues to see notable expansion with both commercial and residential development projects increasing the demand for amenities in the town centre.

Description

The site already benefits from planning consent permitting manufacturing, general industrial, offices, warehousing and distribution uses under Classes E Part G, B2 and B8 of the Use Classes order 1987.

West Park 26 will provide up to 32 high quality, contemporary commercial units which are available to purchase on a 999 year lease. The units provide minimum eaves height of 6.96 metres whilst maximum eaves are 8.05 metres.

The new build units will be built to an excellent standard, offering durable, adaptable, energy efficient commercial accommodation suitable for a range of business uses with floor space options of 1,000 to 2,000 sq ft.

Accommodation

The 32 units are positioned within two terraced blocks. They will be built to exacting standards offering durable, adaptable, energy efficient, commercial accommodation suitable for a range of business uses. With floor space options of 1,000 to 2,000 sq. ft. The units are available with either a full mezzanine, half mezzanine or in shell condition.

Each unit will provide the following:-

- Flexible accommodation layouts/option for bespoke layout
- Latest panel technology providing thermal-efficiency, fire safety and lifetime durability
- Double glazing
- Allocated parking bays plus a large loading area
- Electrically operated roller-door
- Full height glazed elevations suitable for future office use
- Solar PV roof panels incorporated
- Fittings for EV charging points
- Fibre broadband

Terms

The units are available to purchase on a long 999 year leasehold basis with prices starting from £190,000. A non-refundable deposit will be required to reserve any particular unit or units preferred. The target date for completion is July 2024.

The units are also available to lease for a term by arrangement from £13,500 per annum. Financial, accountancy and other references may be sought from any prospective tenants prior to agreement. Prospective tenants may be required to provide a rental deposit subject to landlord's discretion.

VAT

We are advised that the units are registered for VAT and therefore VAT will be payable on the purchase price or rent and estate management charges.
