Location

Culmhead Business Park is situated on the Blackdown Hills between Taunton and Honiton and is approximately 20 minutes drive from the county town of Taunton, Junction 26 of the M5 motorway, Wellington and the A303 London to Penzance trunk road.

The business park is a former M.O.D intelligence site in an accessible rural location providing an attractive working environment.

Description

Units 3 & 4 provide prominent offices fronting the entrance to the business park arranged over ground and first floors with a separate area of car parking for up to 100 vehicles.

The offices provide a combination of cellular and open plan areas that can be reconfigured to suit requirements. UPVC double glazed windows provide good natural light and there are suspended ceilings with compliant light fittings, low level perimeter trunking and carpets to most areas. The offices are centrally heated throughout and some areas have air conditioning.

Male and female WC's are provided on both floors, a disabled WC is on the ground floor as is a good sized kitchen and breakout area for staff.

Business Rates

The valuation office websites shows the premises to have a current rateable value of £22,000 pa.

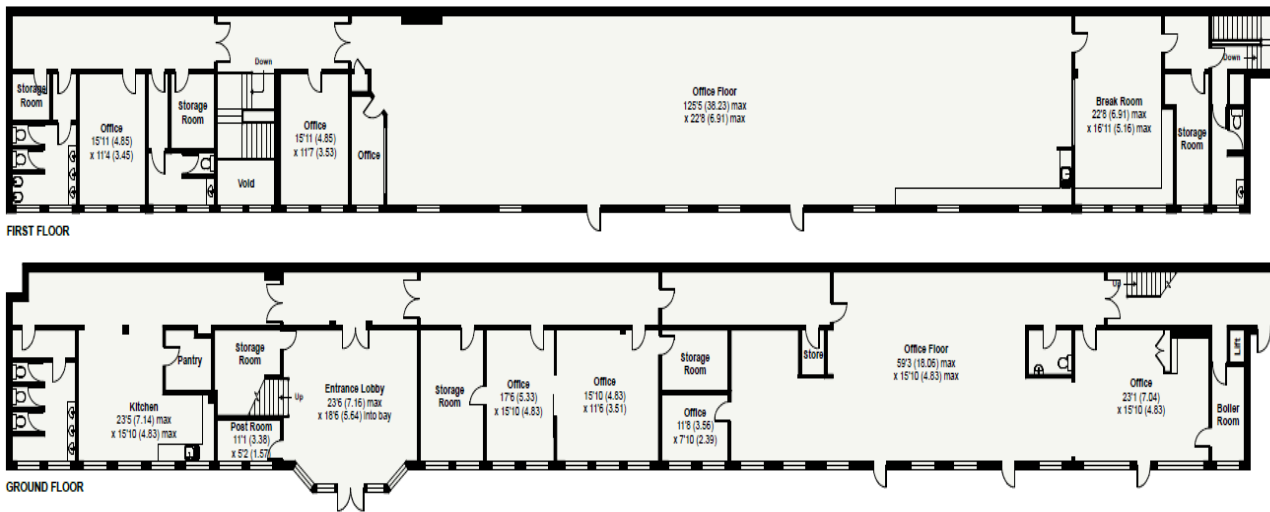

Interested parties should make their own enquiries with West Somerset and Taunton Deane Borough Council to ascertain the rates payable.

Energy Performance Certificate

The building has an energy Asset Rating of E123. A full copy of the EPC is available upon request.

Services

The premises have mains electricity (one meter), mains water (two meters, one for each floor) an oil tank serving the central heating system and foul drainage via a biodisc klargester used by the whole site. Both fibre and copper internet lines access the site. There is no gas.

Service Charge

Culmhead Business Park, which has been in private ownership since 2000, comprises seven freehold ownerships. The park is run by a Management Company administered by the shareholder owners.

Approximately 25% of the business park's electricity consumption is supplied by on-site renewable energy via solar panels and wind turbines.

A service charge, to include building's insurance, ground maintenance, security charges, maintaining the private foul drainage system and general park administration is levied annually. Units 3 & 4 Blackdown House's contribution is currently £4,284 per annum.

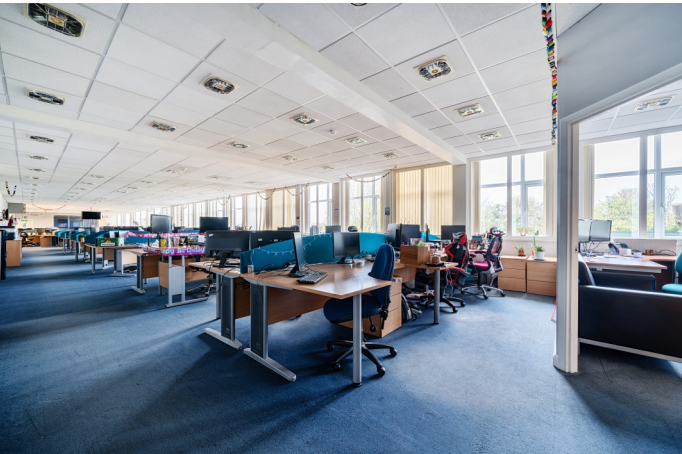

Terms

The property and nearby parking are available freehold with vacant possession at a guide price of £500,000.

A purchase at this level reflects £73 psf.

VAT

We are advised the property is not registered for VAT therefore VAT will not be payable on the purchase price.
