THE TOLL HOUSE, 26 LOAN, HAWICK, TD9 0AT

OFFERS AROUND £95,000

The Toll House offers a prospective purchaser the chance to acquire a little bit of Hawick history. This charming and quirky stone built house erected around 1850, is set in the heart of the West End and extends to approximately 101m². In need of a degree of refurbishment internally, the property has a large coach house/garage adjacent ripe for conversion subject to the relevant planning permissions being obtained.

Within the front door, steps lead down to a spacious lounge with windows to the front overlooking the Loan and there is access from here through to the dining kitchen. The kitchen is situated to the rear of the property with windows to the side and rear and currently has a range of timber floor and wall units with space for white goods. Ample space for a dining table and chairs and from here there is a door which leads through to the stone built garage/coach house with timber steps up to a mezzanine level. This could make an ideal workshop for a local tradesman or alternatively be converted into further living accommodation subject to planning.

Turning stairs from the hallway lead up to the first floor level where the three piece family bathroom is situated and also an additional stand alone WC. There are two double bedrooms on the first floor the master having a range of built in wardrobes for storage.
