SETTING THE SCENE

Situated in the corner of a cul-de-sac, this semi-detached home is approached by a tarmac driveway providing tandem parking, with a lawn frontage and potential to create a flower bed border or low maintenance shingle border for easy maintenance. Gated access leads to the rear garden with a footpath leading to main entrance door.

A useful cupboard can be found to one side, with a door leading off to the adjacent kitchen. The kitchen includes a modern range of wall and base level units with tiled splash backs running around the work surface, with space for an electric cooker and general white goods including a fridge freezer and washing machine. A ground floor W.C leads off the hall entrance and has been modernised to include storage under the sink, with tiled splash backs and flooring. Running the full width of the property is the sitting room which sits towards the rear, with a window and door taking you out to the garden. Heading upstairs, the landing leads to the two double bedrooms, both finished with fitted carpet with one facing the front and one to rear. Sitting between the bedrooms is the modernised shower room, with half tiled walls, vanity unit with storage cupboard under and heated towel rail.

THE GREAT OUTDOORS

Heading outside, the rear garden wraps around the property to the side and rear, whilst being fully enclosed with timber panel fencing. A mixture of planting borders the garden, with a central grass area, useful brick built barbecue and timber built storage shed.
