SETTING THE SCENE

The property can be accessed through an opening in between the low level brick wall towards the front of the property with a large shingle frontage suitable for parking of multiple vehicles with side access down towards the front door and swinging gates to the rear garden.

THE GRAND TOUR

Once inside you are first met with a central lobby opening to the right and with a door to the front both taking you to the open plan living accommodation whilst turning to your left will lead you into the utility room with plumbing for a washing machine, inlet for tumble dryer, toilet and enclosed gas combination boiler. To your right you will find yourself within the kitchen complete with a wide range of high gloss wall and base mounted storage units set around squared edge work surfaces that give way to a range of integrated appliances including an induction hob with surface level extraction fan, two eye level NEFF ovens and a dishwasher while still leaving room for a standalone fridge/freezer and a choice of usable worktop space. Through from here the wooden flooring switches to carpeted flooring where space for a formal dining table can be found in front of the uPVC French double glazed doors taking you directly into the rear garden and opening beyond this is the spacious sitting room with built in media wall with all downward spot lighting throughout the open plan living space. The main hallway grants access to all three double bedrooms as well as a handy built in storage cupboard and four piece family bathroom suite comprising fully tiled flooring and tiled surround whilst turning to your left is a fully digital walk in rainfall shower and separate bathtub on the adjacent side of the room with vanity storage and a heated towel rail can all be found. The larger of the three double bedrooms comes towards the front of front of the property to the right of the hallway with large carpeted floor space leaving room for a large double bed and additional storage solutions whilst the second room sits just behind this benefiting from built in wardrobes and a side facing window with a radiator below. The smallest of the bedrooms is currently used as a dressing room however would make an ideal study, larger single bedroom or nursery.
