

Lodge Way, Stevenage

AGENT HYBRID

Agent Hybrid is delighted to present to the market this beautifully extended and fully modernised four-bedroom semi-detached family home, situated in a highly sought-after location.

The current owners have cherished the property for approximately seven years, during which time they have thoughtfully extended the home both to the rear and with a double-storey addition to the side, changed the boiler and updated the windows and doors throughout.

Upon entering, you are welcomed into a spacious hallway, complete with bespoke under-stairs storage, a staircase leading to the upper floor, and doors leading to the lounge and kitchen-diner. The lounge boasts a large open bay window to the front, a central feature fireplace, and a direct entry into the dining area of the kitchen. The kitchen has been meticulously re-fitted to a high standard, featuring elegant dove grey shaker-style cupboards, expansive Quartz worktops, and a range of integrated appliances. Bathed in natural light, this space flows seamlessly into the single-storey extension, currently utilised as a separate family room.

From the kitchen, a door leads to the lower level of the double-storey extension, which includes a convenient downstairs WC, a generous utility room that mirrors the kitchen's stylish design, a door opening out to the rear garden, and access to the office/home salon.

Upstairs, a long, airy landing connects to all rooms. The master bedroom, located above the double-storey extension, offers a spacious retreat with ample room for all your furnishings, a dedicated dressing area, and a beautifully tiled en-suite shower room featuring a large walk-in double-width shower, WC, and vanity sink. Bedroom two is a large double, offering plenty of space for freestanding wardrobes. Bedrooms three and four both include built-in storage, and the family bathroom completes this floor.

The SOUTH WEST FACING rear garden can be accessed from the family room, utility room, or home salon. It features a spacious full-width Indian sandstone patio, perfect for outdoor seating, which steps down to a large, secluded lawn bordered by trees. The patio extends around to the side of the house, where gated access leads to the front. The driveway offers parking for 2-3 cars, and an electric roller shutter door provides access to the extended, larger-than-average garage.
