Guide Price £185,000 - £200,000

Superb, iconic one bedroom, larger sized apartment, measuring an impressive 764 sq ft which forms part of the Park Hill flats, often referred to as 'streets in the sky'. Long Henry is located on the 9th floor of the development, with stunning, panoramic views over the city. In 1998 Park Hill was given Grade II* listed building status and was later renovated by developers Urban Splash. The front door leads to an entrance area, with stairs rising to an inner hallway, creating a useable, flexible living space. The open plan living area is complemented by neutral decor, exposed concrete and generous glazed windows offering a pleasant aspect over the communal outdoor space and flooding the room with natural light. The kitchen has a fresh, light and airy feel with solid ply and white-faced base units with matching worktops. Fully integrated appliances include a washer/dryer, oven, hob, extractor and fridge/ freezer with floor to ceiling storage units. A spacious double bedroom bedroom is complemented by stunning views over the city centre and greenery beyond. The bathroom features a Vitra white suite including bath with overhead shower, hand wash basin and WC. Within the storage cupboard is an air filtration system providing permanent mechanical ventilation to the entire property. Space heating and hot water are provided by the Sheffield District Energy Network which produces sustainable energy from un-recyclable waste. Landscape Architects Grant Associates designed the rear communal garden with silver birch and large lawns all make it unique to Park Hill. Car parking spaces are available for rent. Despite its close proximity to the city centre, there are numerous green spaces and cycle routes very close by including Sheaf Valley Park. Park Hill is ideally located in the heart of the city with excellent transport links and amenities including a local tram stop and the main line train station.
