

51 The Chase

The Chase in Fishtoft is a very sought-after area. With a mixture of modern, well presented properties, this area is convenient for schools and local village amenities and yet also only five minutes from all of the facilities that the town centre has to offer.

No.51 Is actually in a really lovely position within a small cul-de-sac of only four properties. It has a generous plot with driveway and double garage to the front, and a really attractive, well stocked and beautifully maintained garden to the rear which is not over-looked as there is a 'green' area planted with trees to the back of them.

The property really is an ideal family home and at 26 years old, is nicely established now and yet also benefits from a brand new boiler (fitted 20th January 2023 with a 5 year warranty) and a beautiful modern kitchen as well as immaculately presented décor throughout.

It is a spacious property with four reception rooms to include the lounge, dining room, study and conservatory to the ground floor and four double bedrooms, with a generous four piece bathroom suite and an en-suite to the master. The property and grounds have been incredibly well maintained and the sellers explained to me that they 'look after their things.'

After 21 very happy years in the property, moving is bitter-sweet. It is time to down-size and the sellers hope that the new buyers of No.51 will be as happy there as they have been.
