

Available plots as semi-detached 179 & 184

THE HOLLY – Available to view with an appointment as a beautiful three bedroom show-home, we have plots available for both summer and autumn completions and a semi-detached and detached version. The Holly is a really popular design which features a light and spacious dual aspect living room and a large dual aspect open-plan kitchen-diner which runs across the rear of the property and has French doors off the dining area opening straight out onto the patio in the garden. There is a cloakroom to the ground floor and a useful storage cupboard.

The first floor has a generous landing space with doors arranged off to three good-sized bedrooms with a built-in wardrobe and an en-suite shower room off the master bedroom in addition to a separate three piece family bathroom. While naturally individual plots can vary, the Holly is available with an enclosed south-facing rear garden and two parking spaces.

In our opinion, the Frampton Gate development is one of the nicest developments that we have seen from developers on the scale of Allison Homes. Situated less than a ten-minute drive from the historic market town of Boston off Middlegate Road in the much sought-after village of Frampton, this most attractive development of beautifully designed family homes has an attractive tree-lined frontage is situated within walking distance of the neighbouring village of Kirton which enjoys both primary and secondary schools in addition to many amenities to suit all age groups.

These brand new individually designed homes provide a fabulous range of 2,3,4 and 5 bedroom properties to suit modern and traditional lifestyles, with a winning combination of open-plan living, generous light-filled reception rooms and cosy study areas. We are really impressed by the plans for several green areas and attractive landscaping that give a more established ‘village feel’ as well as wider roads and some really generous gardens too.
