

# Windswept

Having designed the property themselves, it's easy to see why the owners of this lovely bungalow never felt the need to move; it's spacious throughout, without any of the rooms feeling compromised. The outside enjoys a similarly generous plot which is notably quite wide, allowing for the carriage driveway.

The accommodation includes three double bedrooms plus a dining room off the kitchen and a generous lounge with doors leading out to the garden. The garden itself is a particularly good size, extending to both sides of the property and having been enclosed with a high wall and gates to each side – it's ideal for families or buyers with pets to consider. As can be seen from the photos, the front of property offers ample parking for several vehicles and has the benefit of a generous garage with its own cloakroom/wc and doors to the rear garden and the utility. Buyers working to a restrictive timeframe will also note that the property is offered with no onward chain.
