

The Old Vicarage – Agent's Notes

Having grown up there as a child, the village of Wrangle holds a very special place in my heart. It is a charming old village with the whole of the centre protected as a conservation area due to its rich historical interest. I actually have fond memories of chasing around the gardens at childhood parties at The Old Vicarage and so it was wonderful to be invited back by the current owners to market the property and help find the next family.

Situated across the lane from St Mary and St Nicholas church, this incredible property sits in grounds extending to approximately 1.26 acres and dates back to 1707 with a Grade Two* Listing in recognition of the many charming original features to include several fireplaces, full height panelling to walls, working shutters, original beams, deep cornice and moulded panels. Instantly recognisable in the village from its distinctive seven bay frontage, this spacious property has versatile accommodation arranged over three storeys plus a cellar and includes eight bedrooms, with three bathrooms and four reception rooms. The original coach house in the courtyard has a walled kitchen garden and would be ideal for conversion to an annexe should lapsed planning permission be re-instated.

While the roof was only replaced about 25 years ago, since it was purchased in 2007 the property has been carefully maintained and sympathetically upgraded as the family have been keen to retain as much of the character as possible but have also both worked from home and so have needed a warm, dry home with a good broadband speed (70 Mb/s). A complete heating system was installed in 2010 with thermostats to every floor along with a bespoke handmade kitchen and utility room built by Murdoch Troon and lovely new bathrooms. These new additions not only compliment the character of property perfectly, they have each gently led this lovely old house to the point where it can still easily meet the demands of today's young families and lifestyles choices.

The Old Vicarage, the village and the community have been so very well loved by Neil, Steph and their family that their future plans to move, however logical, are bittersweet. I know that there will be no-one better to show prospective buyers around their home and how they have lived in it and enjoyed it and certainly no better ambassadors of one of my all-time favourite villages.

Heating- Oil fired with the option to also switch to use the large wood-burning outdoor boiler. Drainage- private drainage - septic tank system, EPC – exempt, Council tax band – G.

Wrangle has amenities which include a village pub, village hall, shop, indian takeaway and a primary school. The neighbouring village of Old Leake has a secondary school, GP surgery, Co-op, hairdressers and fish and chip shop. The bus stop for public transport to local schools in both Boston and Skegness is only a few yards away.

Entrance – A central half-glazed door with fan light opens through into the **Dining Hallway 5.59 m x 5.78 m (18'4 x 18'11)** – Having sliding sash window with working shutters to the front aspect, radiator, York stone flooring and a range of both wall and ceiling light points.
