# WHAT'S GREAT?

\*\*\*Check out our video tour\*\*\*

We are delighted to represent the owner of this imposing stone property with an incredible plot situated in the most idyllic village of Grafton Underwood which is steeped in character, charm and history.

The property is situated off the main high street of Grafton and benefits from fields behind making it extremely secluded and very peaceful.

Benefiting from a double detached garage and off road parking to the front and an enormous garden with additional small field/paddock to the side this property must be viewed to be appreciated.

Internally the accommodation is very generous, firstly the welcoming and large hallway leads through to a formal lounge with feature fireplace and wood burner, expect also to find a dining room, conservatory/sun room with views over the garden, study, play room, cloakroom, utility

room and generous kitchen/breakfast room on the ground floor.

To the first floor the bedrooms are of a great size, bright and airy, with two of which benefiting from ensuite shower rooms, the master also has a dressing room, a family bathroom completes this floor.

Throughout the property there are numerous storage cupboards both on the ground floor and first, the property has also been redecorated as well as new flooring being laid in most areas.

Outside the grounds as mentioned are vast, the garden to the rear has in excess of twenty fruit trees, other established trees and shrubs, plenty of lawn, a pond and the paddock space could be perfect for chickens or a vegetable patch.

Call sole selling agents Oscar James Kettering to make arrangements to view this wonderful prospect.
