SELLER'S SECRET

We have lived in the property for nearly 30 years and it has been a great property and location for our family. Having extended the property has allowed us to grow and has given us the space we needed. We hope the new owner enjoys the property as much as we have.

Why we like it....

A superb property in a great location. The property offers a combination of a quiet location within a short distance to local shops, schools and amenities. A viewing is highly recommended.
