WHAT'S GREAT?

A stunning family home offered to market in superb order throughout which is situated ideally for the general hospital and is in a reasonable distance to the Kettering train station which gives access to London in approximately one hour.

This home is full of character and style and benefits from a fabulous rear garden which would be ideal for a family wanting space during the warmer months.

The accommodation on the ground floor comprises of a feature front door with porch, the hallway is generous with a storage cupboard under the stairs and an impressive staircase leads upstairs. The living rooms consist of both an immaculate dining room to the front with bay window and feature fireplace and an extended lounge to the rear, again with feature open fireplace, the kitchen/breakfast room has ample room for a table for less formal meals and a utility room and cloakroom complete this floor. The kitchen is beautifully appointed with plenty of work top and storage space with plumbing and space for a dishwasher, range over and extractor over.

To the first floor there are four very good size bedrooms as well as a study area which is perfect for either working or as an extension to bedroom two as a play area. A stunning four piece family bathroom completes this floor which has an exceptional free standing bath as well as separate shower cubicle, vanity sink unit and WC.

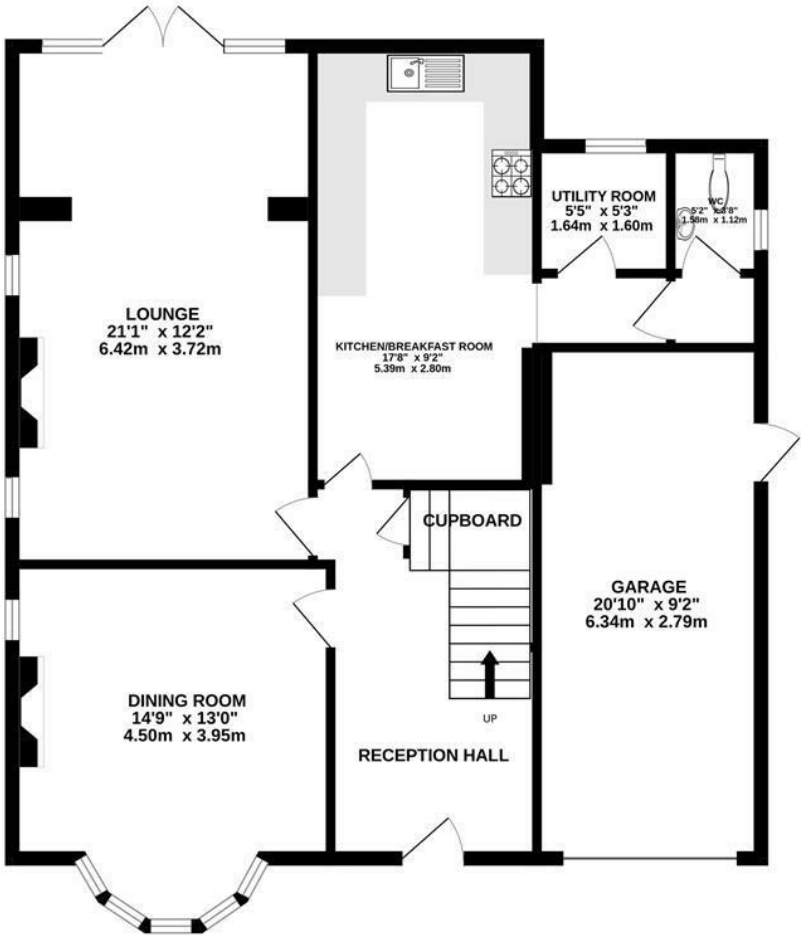

Outside the grounds front and back are established with plenty of shrubbery, trees and flower beds, to the front there is a driveway leading to an extended garage, electric charging point and to the rear garden is a fabulous size, laid to lawn with huge patio area, sun room which could be an ideal gym or work space and gated access to the front.

SELLER'S SECRET

As a family of four with two growing boys this house has been perfect for us with all the space it has to offer. The garden is perfect for burning off steam and for entertaining. We have purely decided the time is right to sell and relocate slightly. We very much hope the new owners are happy here.

Why we like it....

A gorgeous home with so much on offer, great location for schooling, shops and amenities and in such lovely condition. We cannot wait to show prospective buyers around.
