AT A GLANCE...

Lounge, dining room and annex living space

Kitchen needing renovation

Four bedrooms in total

Bathroom, ground floor shower room and WC

Gardens front and rear

Car port and off road parking

WHAT'S GREAT?

An extended home situated on the Ise Lodge Estate which has been extended to provide an ANNEX which would be ideal for a family member wanting separate or ground floor living.

Whilst the property needs modernisation the property with annex could be an ideal home for a family needing the additional space.

In brief expect to find an extended lounge room to the front with stairs rising to the first floor, a kitchen area and second reception room to the rear as part of the main house, the annex accommodation consists of its own entrance door, kitchen, shower room, WC, lounge and bedroom.

To the first floor there are three bedrooms and a family bathroom.

Outside there are gardens front and rear and off road parking with car port to the front.

SELLER'S SECRET

The extension was perfect for our family member to use as ground floor living was required, hopefully this will be useful to someone new. We have decided to sell and retire to travel and relax.

Why we like it....

A large property with great potential for someone new, really quiet location within the heart of the Isle Lodge close to all the amenities it has to offer.
