Where Country Living Blossoms

# Introducing Richmond Gardens

Tucked away down a private road in the beautiful village of Saham Toney, Richmond Gardens is the latest offering from the Norfolk family business, Timm Property Group.

This is a small development of just five detached houses, all of which have four bedrooms, and each property is named after a species of apples and cherries which was chosen to reflect the wide variety of agriculture in this part of Norfolk.

All properties boast high specifications inside and traditional double fronted facades with beautiful oak porches on the outside.

“These homes offer the perfect blend and balance of traditional style with contemporary specification.”

# Homes within the countryside...

Nestled in the heart of Breckland, the charming village of Saham Toney offers a serene countryside lifestyle. This close-knit community is the perfect place to call home, where the pace of life slows down, and nature is your backdrop.

At the heart of the village, ‘The Old Bell’ pub serves as a hub for locals, providing a warm, welcoming atmosphere. Surrounding the village is the stunning countryside, ideal for leisurely walks and outdoor adventures.

Families will find a nurturing environment, with the local Church of England Primary School offering excellent education in a setting steeped in tradition. The village also boasts a Sports and Social Club, where residents gather for rugby and cricket matches, fostering a strong community spirit.

Just under two miles away, the market town of Watton enhances the appeal of rural living with convenient amenities, including further schools, a GP clinic, a supermarket, and a sports centre. The town is also home to the Wayland Show, one of England’s oldest agricultural events, which celebrates the region’s farming heritage.

For those who cherish outdoor pursuits, the nearby Loch Neaton and Wayland Wood provide beautiful spots to explore, fish, or simply enjoy the tranquillity of nature. Whether it’s cycling through Thetford Forest or playing a round at Richmond Park Golf Course, there’s always something to do in this idyllic countryside setting.
