Location

Marazion is a wonderful and historic market town situated on the shores of Mount's Bay. At low water a causeway links it to the amazing St Michael's Mount and castle. The Mount is approximately half a mile off shore and a passenger boat carries visitors at high water.

The town lies within the Cornwall Area of Outstanding Natural Beauty which makes Marazion a thriving tourist resort with an active community of artists who produce and sell their paintings in the towns galleries. Other amenities include shops, doctors surgery, galleries, wonderful Public Houses and restaurants. The larger market town of Penzance is approximately three miles away, there is a regular bus service through Marazion to Penzance or you can use the level coastal footpath.
